About IREM

The Institute of Real Estate Management (IREM®) is an international community of real estate managers dedicated to ethical business practices, maximizing the value of investment real estate, and promoting superior management through education and information sharing. IREM is the home for all industry professionals connected to real estate management – and the only organization serving both the multi-family and commercial sectors.

Since 1933, IREM has set the standard for best practices in real estate management. Today, IREM membership includes over 20,000 individuals and 570 corporate members. The Northern Nevada/Tahoe Chapter 89 has been an integral force in the Silver State since 1977. We are dedicated to delivering effective networking opportunities and leading-edge educational offerings for every stage of your career, evolving with you to provide lifelong professional development opportunities.

Collectively, Certified Property Manager (CPM) members manage nearly \$1.8 trillion worth of the nation's real estate assets. They manage approximately 11.6 million residential units and 10 billion net square feet of commercial space. Most members manage mixed portfolios. They manage various types of properties including apartments, condominiums, office buildings, shopping centers, mobile home parks, federally assisted housing and industrial parks.

IREM Industry Partner Program

IREM's Industry Partner program is designed to foster professional relationships between our real estate members and a mix of locally represented, reputable service vendors. With the IREM Industry Partner program, our chapter can provide you with a multitude of benefits and opportunities, including the opportunity to attend local IREM events.

Get your company in front of Northern Nevada's leaders in property management by becoming an Industry Partner today.
